... HAPPENING

ANNUAL GREEK-DORM WATER FIGHT

SEPTEMBERFEST-YOU DON'T HAVE TO WAIT TILL MARCH

The 3rd Annual Septemberfest was a huge success this year with about 1900 tickets being sold to those UMR students who were too impatient to wait till March. Not only did students get all the beer they wanted but also Ron Rotar and the Country Roadrunners provided musical entertainment. The UMR Parachute club even dropped in for a beer.

MISSOURI INDUSTRY DAY

The thirteenth annual Missouri Industry day was held for the students of UMR in the multi-purpose building. Sixty-four companies associated with engineering were represented. Students were encouraged to talk with and ask questions of the representatives. Not only did everyone gain a little knowledge but some even won a door prize or picked up a freebie from one of the generous displays.

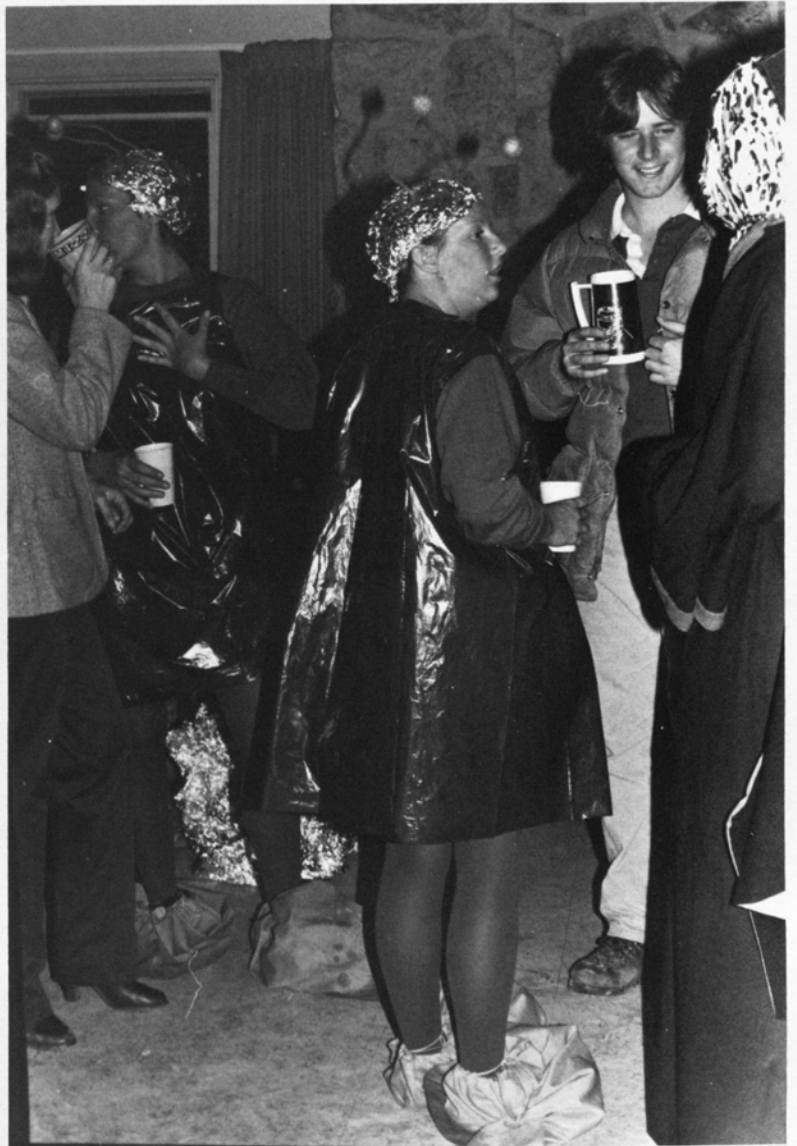

MISSOURI IN CONCERT

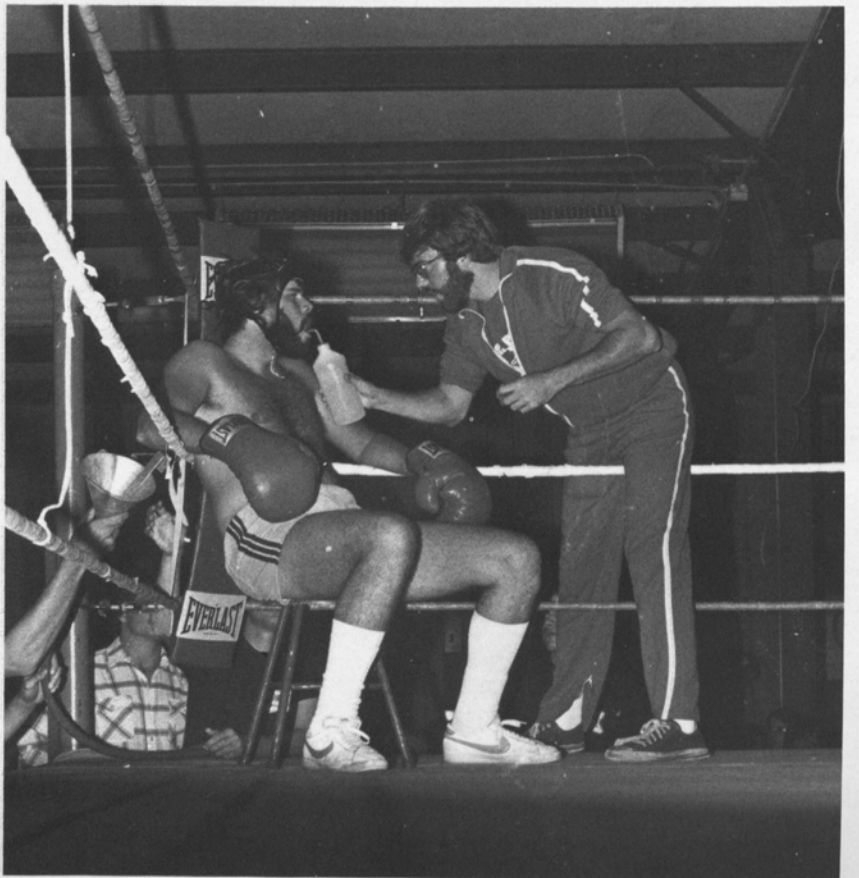

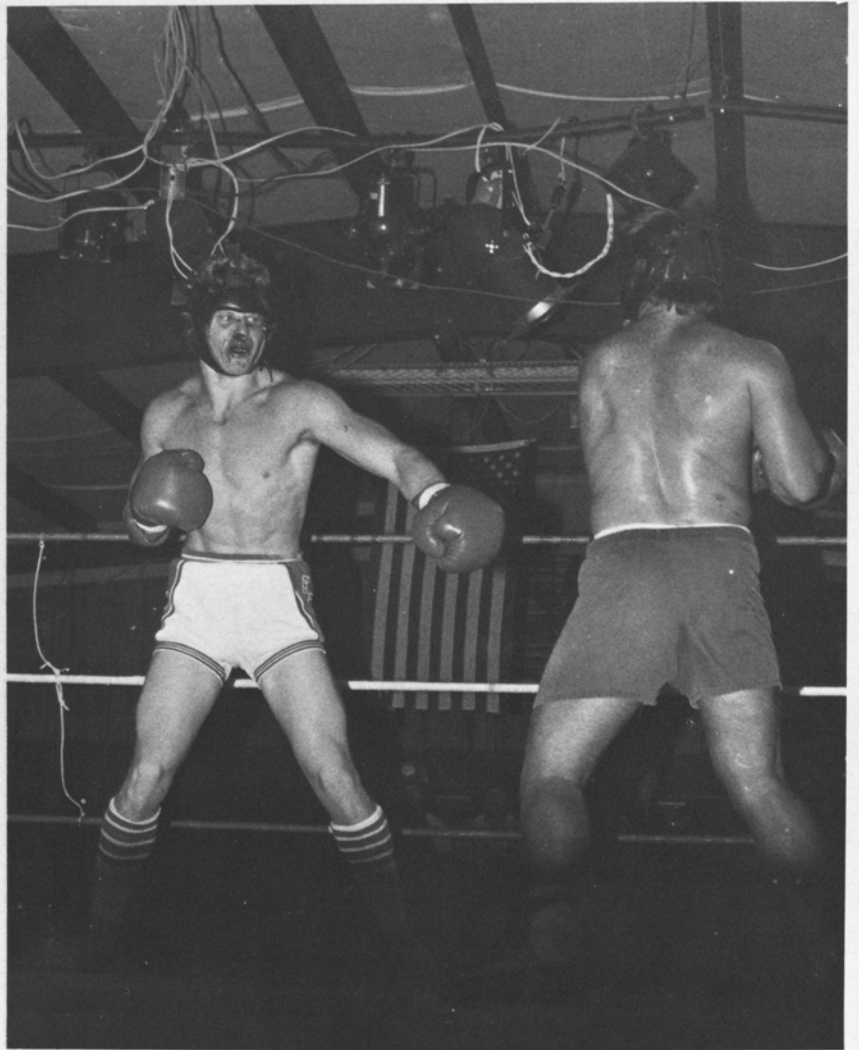

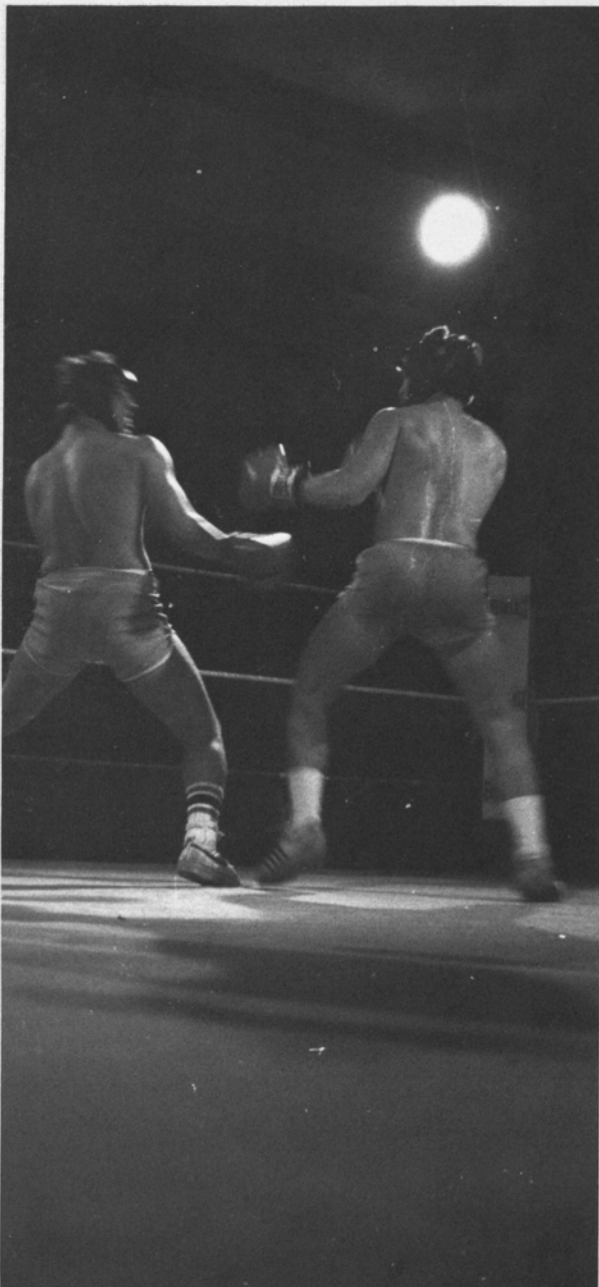

HALLOWEEN

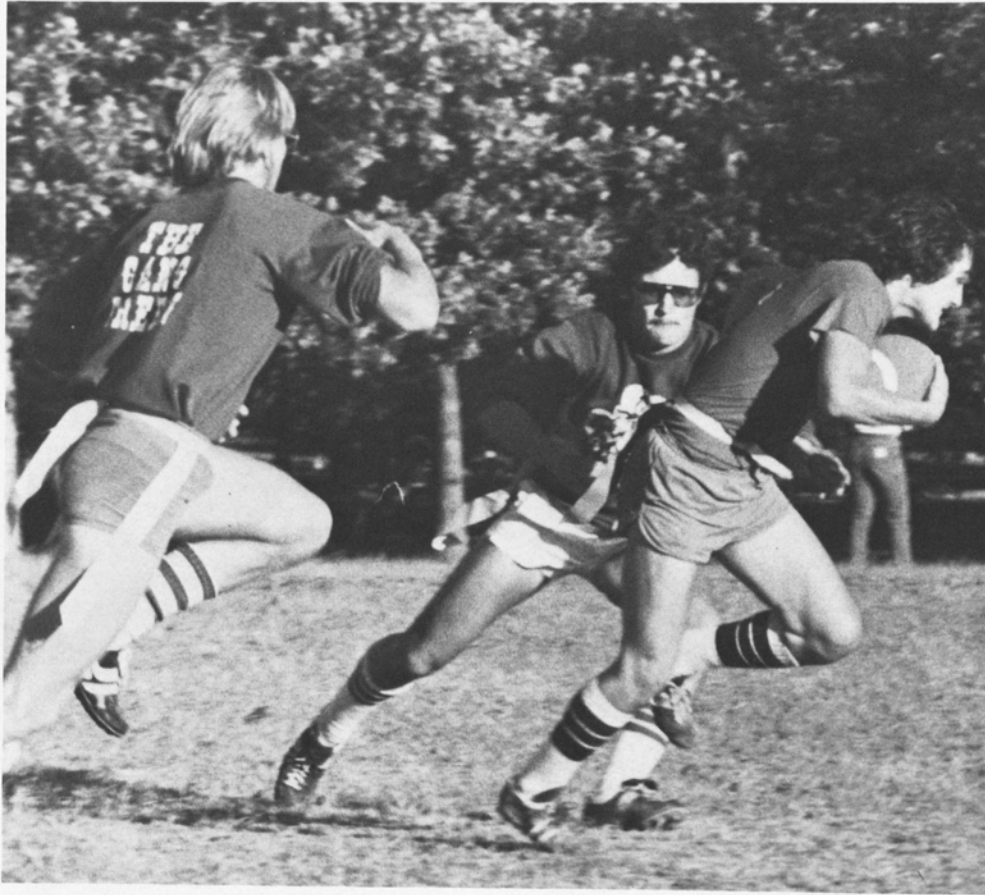

NIGHT AT THE FIGHTS

"Night at the Fights" was sponsored by Lambda Chi Alpha. Proceeds which totaled \$600 was donated to LOVE. LOVE is a community organization which stands for Local Organization for Various Emergencies. A trophy was awarded to each of the thirteen weight class winners. Best fighter award was won by a local resident, John Sims.

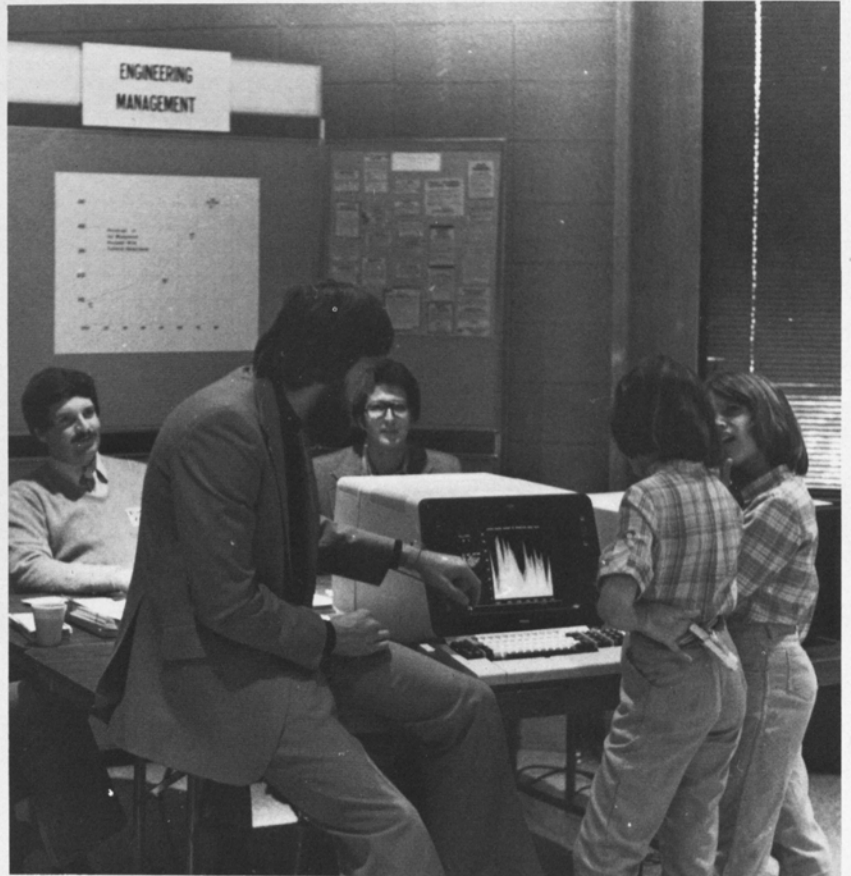

ANNUAL GREEN-GRAY CLASSIC

Once again the St. pat's Board, alias, "The Gang Green", defeated the IFC in the yearly football game with a score of 27-14. This was the fifth straight win for the board. Maybe next year we should have chicken fights?!

PARENTS' DAY

Parents of UMR students had a special day of activities especially for them. Parents were occupied all day by meetings, tours, openhouse, a buffet luncheon and the action of both the UMR soccer team and the undefeated football team. Academic departments, residence halls, fraternities and sororities were open for display.

INDEPENDENT'S WEEKEND

Independents' Weekend is a party weekend sponsored by the dorms, eating clubs, and G.D.I. Activities for the weekend included a hayride, games, a B-B-Q, a party and the crowning of an Independents' Queen.

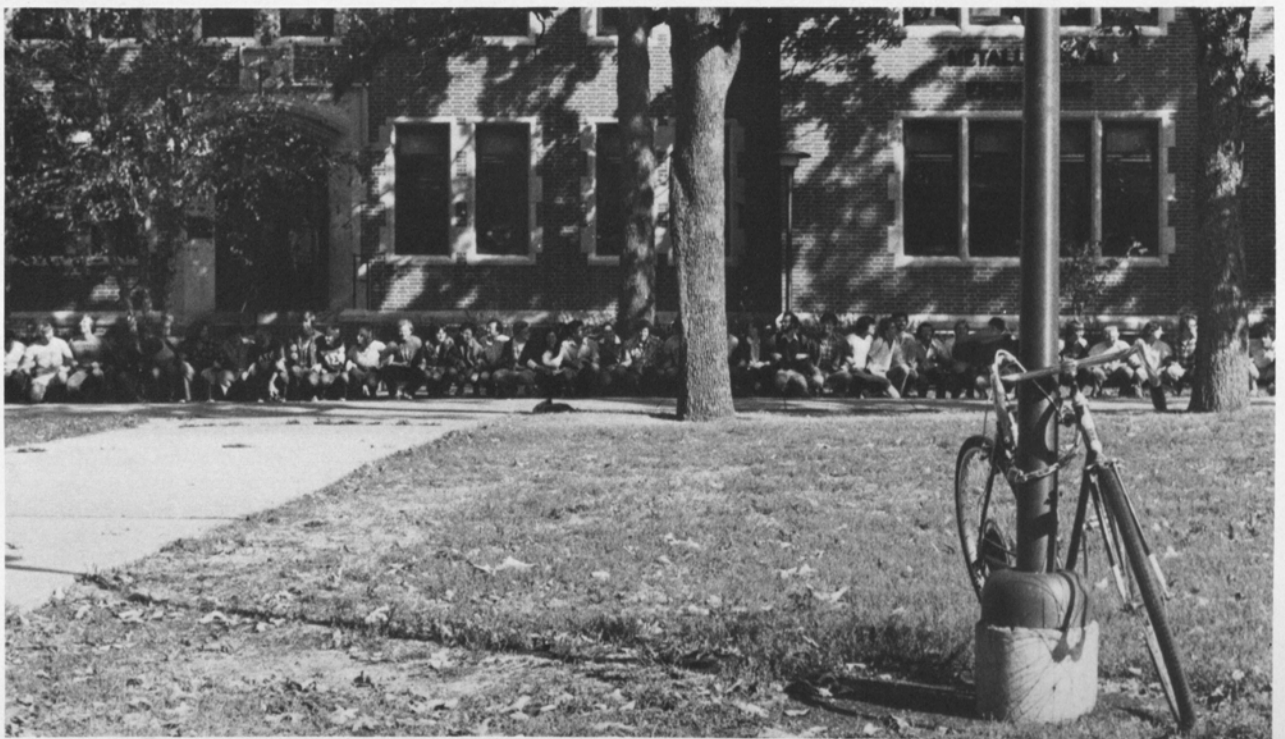

HOMECOMING 1980

THE GREAT SQUAT-OFF

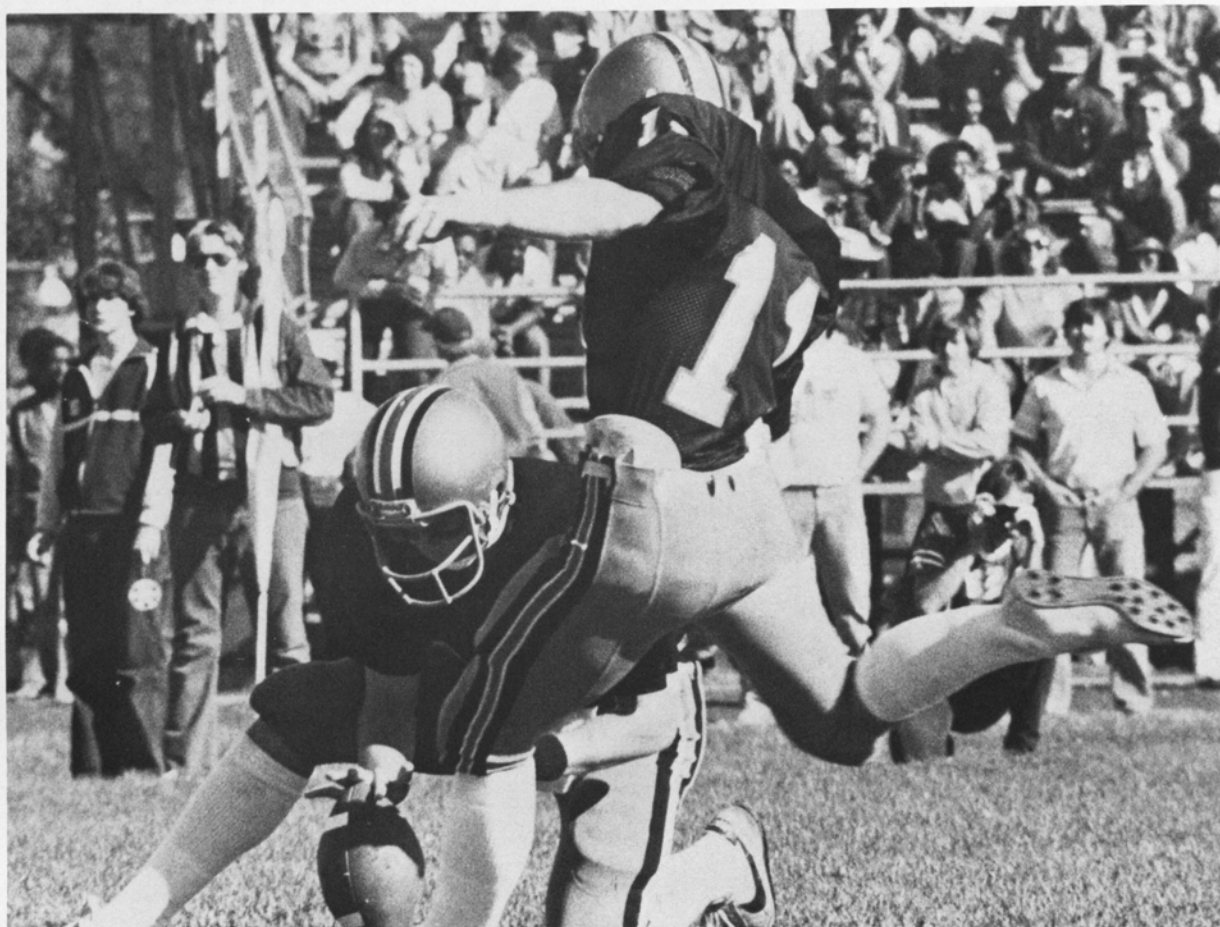

To start off the Homecoming weekend, UMR students attempted to break the old Guinness Book record of 3,394 people squatting in place for sixty seconds. Unfortunately, we didn't break the record, but there's always next year.

IFC SING

An evening of fun and laughter was brought to us free by the 1980 IFC Sing. All acts centered around the theme "Memories of the 1960's". The categories and honors are as follows:

Musical:

1st Place	Zeta Tau Alpha
2nd Place	Pi Kappa Alpha

Chorus:

1st Place	Tau Kappa Epsilon
2nd Place	Sigma Nu

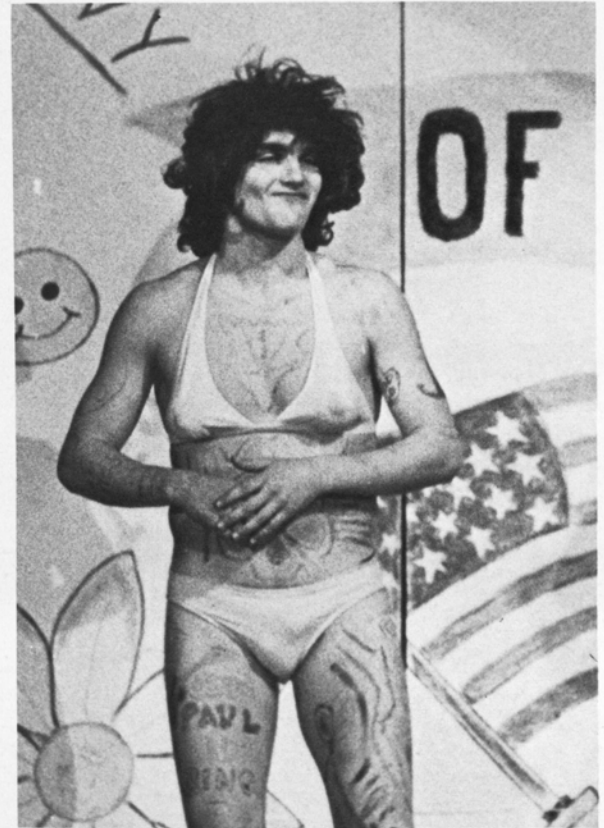

Novelty:

1st Place	Chi Omega
2nd Place	Phi Kappa Theta

WAYNE SCHMIDT St. PAT 1981

Wayne V. Schmidt, the son of Mr. and Mrs. Vernon Schmidt, is a senior in Civil Engineering and an active member of Tau Kappa Epsilon fraternity. As a Junior Rep he was the Publicity Committee Chairman and as a Senior Rep he held the highest office possible in the St. Pat's Board, that of President. Wayne Schmidt lives in South St. Louis city and is a 1977 Graduate of St. Louis University High. Wayne's dedication and enthusiasm has made this past St. Pat's "the Best Ever!" As Wayne would say, "It only takes a little Pride and Initiative."

THE MINI-OLYMPICS

This year Tau Kappa Epsilon won first place in the Mini-Olympics with Sigma Nu in second, and Sigma Phi Epsilon in Third. Friday evening everyone headed out to the Lions Club park for the annual Greek Carnival. This year the UMR Greeks raised \$4,450 for the Rolla Cerebral Palsy School and ABLE. Tau Kappa Epsilon came in first for the most money raised in the booth competition with Lambda Chi Alpha in second and Sigma Pi in third. Teke also won the best looking booth, and Lambda Chi Alpha came in second again, with Pi Kappa Alpha in third. The winner of the bike race was Teke again with Lambda Chi Alpha in second.

1981 Intramural Champs: Sig Ep — 5th straight title

I wish to apologize to individuals who participated in the following sports for the lacking or nonexistent coverage these sports received. The following sports received only limited coverage: varsity track, varsity wrestling, women's softball, intramural women's basketball and tennis. Rugby, intramural golf, cross country, table tennis, badminton, bowling and billiards unfortunately received no coverage at all. This lack of coverage stems mainly from a lack of available pictures, not from a lack of desire on the part of my staff. I would like to thank my assistants, Kathy Buhr and John Tripi for their contributions.

... HER REIGN

Cynthia Strouse —

Independants Queen

This years Independent's Queen is the enchanting Miss Cynthia Ann Strouse. The daughter of Dr. and Mrs. Charles Strouse of Mexico, Missouri, she is a junior studying Computer Science. Miss Strouse is involved in ACM, is a song leader at Newman Mass, and is on the T.J. social committee. Miss Strouse enjoys outdoor activities, tennis, basketball, bicycling, and music. This fascinating lady possesses many traits which make her the sparkling gem that she is.

Diane Markley —

Homecoming Queen

Miss Diana Lynn Markley reigns as the 1980-81 Homecoming Queen. While majoring in Chemical Engineering, Miss Markley is an R.A. for first floor T.J.. She is involved in AICHE, SWE, and intramurals. Miss Markley is from Warrensburg, Missouri, and is daughter of Mr. and Mrs. Cleo Markley. Waterskiing, canoeing, horseback riding, and softball are some of the ways she spends her free time. Miss Markley's attractiveness and enthusiasm highlighted the Homecoming festivities.

Janet Jansen —

Rollamo Queen

Miss Janet Jansen, daughter of Mr. and Mrs. Glen Jansen of Affton, Missouri, is this years representative of the yearbook, by being selected Rollamo Queen. While majoring in Chemical Engineering, Miss Jansen, a freshman, is active in ASCE, the Pi Kappa Alpha Little Sister organization, and Womens Club Soccer. She enjoys skiing, tennis, playing the piano, and being with people. Her radiant beauty and splendid personality exemplify her honor.

Janet Pearce —

St. Pat's Queen

Miss Janet Kay Pearce, a charming UMR student, was crowned St. Pat's Queen. A junior majoring in Petroleum Engineering, Miss Pearce is Secretary of Zeta Tau Alpha, a Little Sister of Tau Kappa Epsilon, an ad salesman for the Miner, and a member of SPE. Miss Pearce is the daughter of Mr. and Mrs. Oscar Pearce of O'Fallon, Illinois. Miss Pearce enjoys cooking, sewing, swimming, and water skiing. Miss Pearce's sparkling smile and overwhelming enthusiasm typify her personality.

GREEK WEEK QUEEN —
LYNN DEE PARR

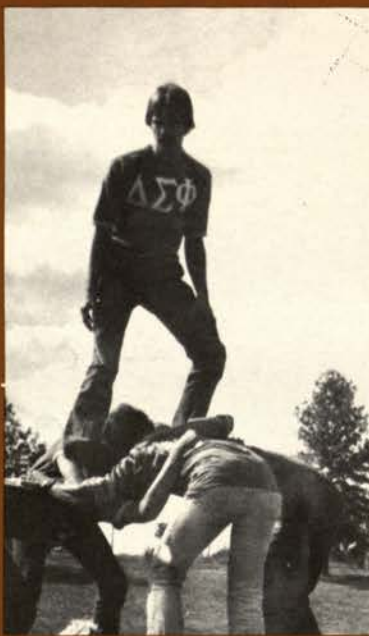

This year's Greek goddess of love and beauty is the lovely Miss Lynn Dee Parr. Miss Parr is the daughter of Mr. and Mrs. Buss Parr, of Cape Girardeau, Missouri. A sophomore majoring in electrical engineering, Miss Parr is active in Zeta Tau Alpha, Sigma Phi Epsilon little sisters, cheerleading, GAD, and Alpha Phi Omega. Waterskiing, music, and sports are some of Miss Parr's favorite pastimes. Her serene beauty helped Greek Week to be the success that it was.

Resident Hall Association — QUAD

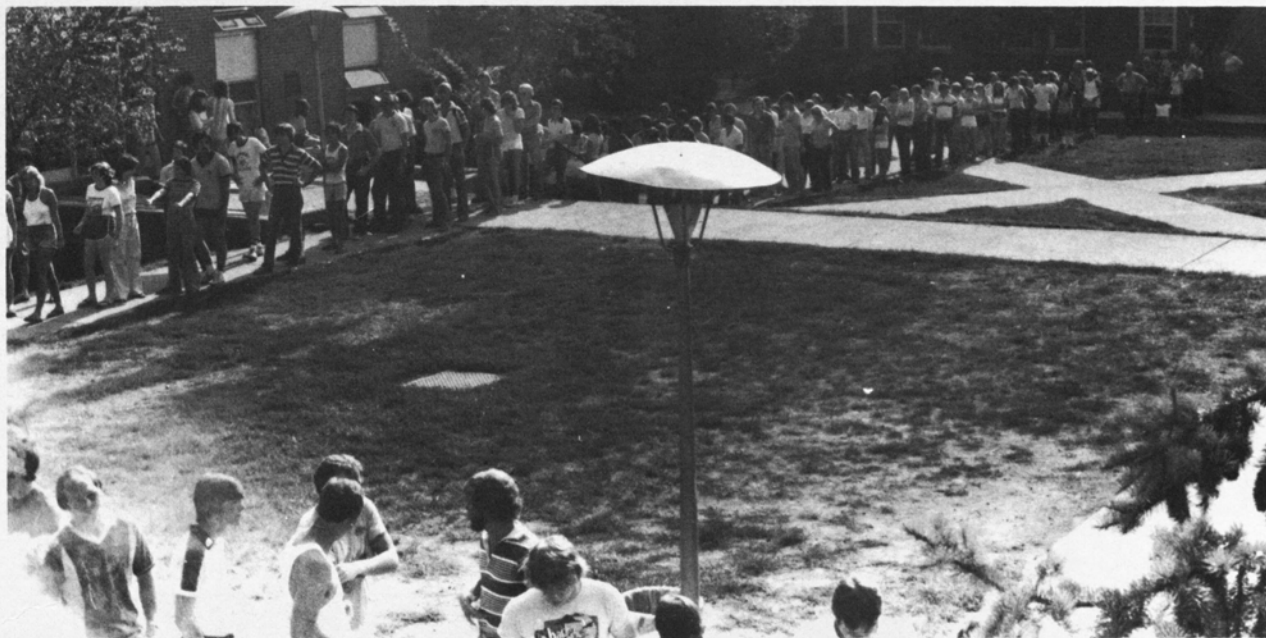

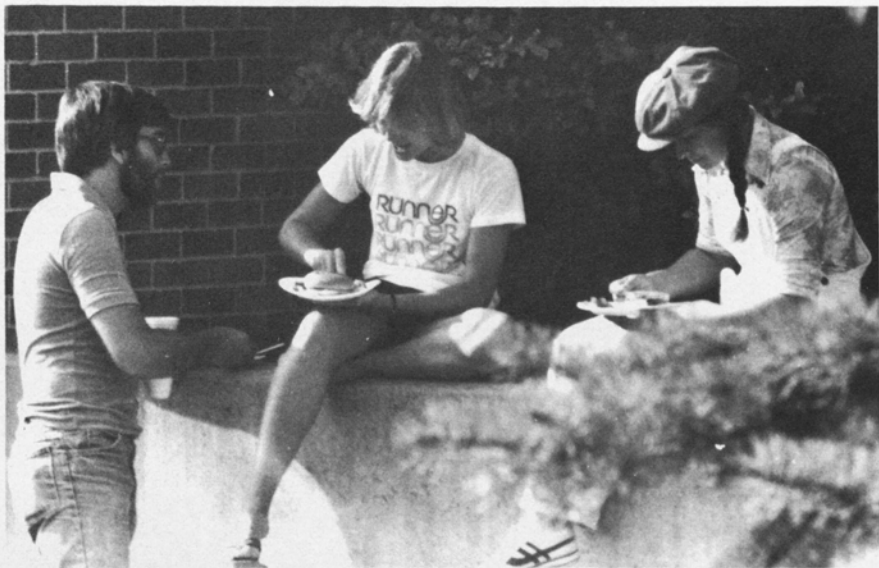

Some of the familiar faces

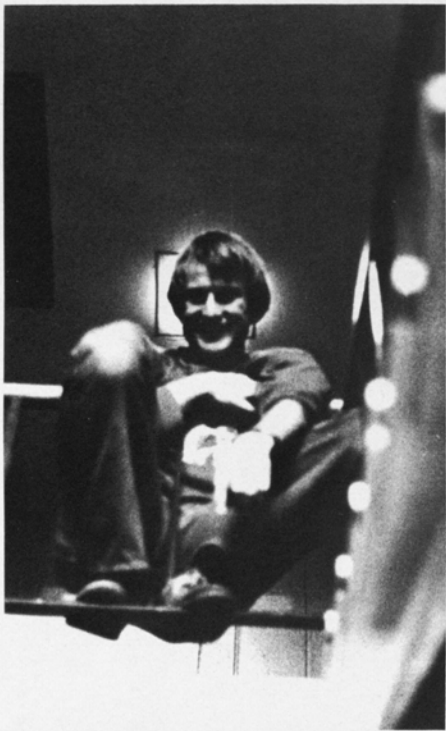

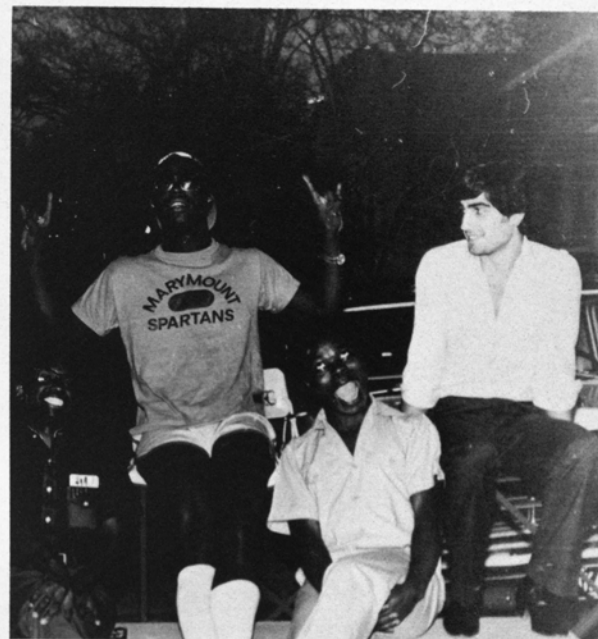

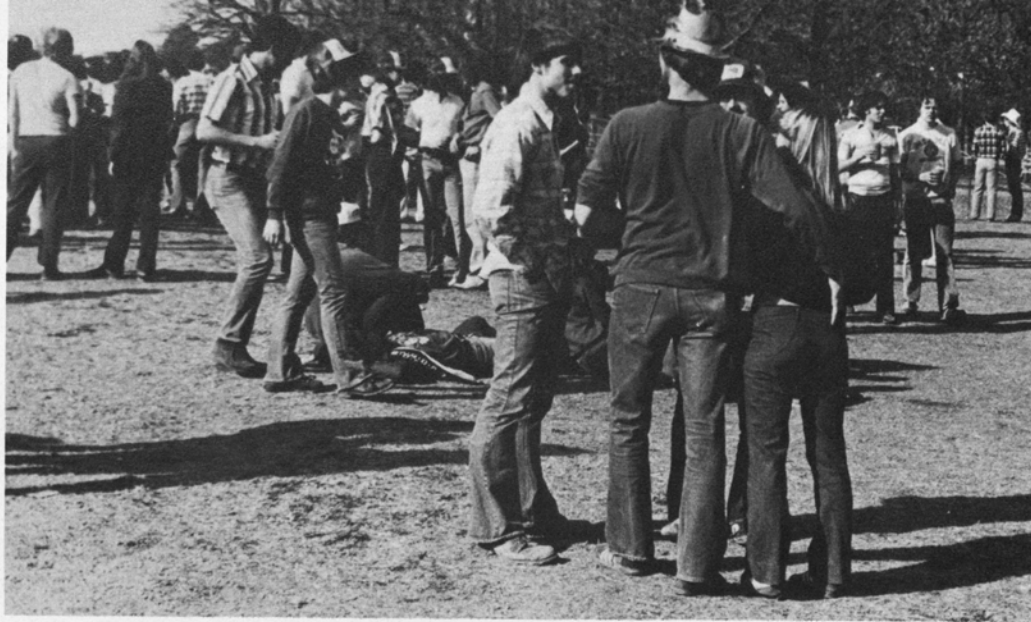

The Annual Watermelon Orgy

The Fall Barbeque

House One plays a very active role in initiating and participating in events that take place in the Quad. They held the first annual Mr. Quad contest which was a great success, and they plan to make this an annual event. They also placed third in Christmas house decorating. The RA of the house is Dana Villers and representing the house on the Board of Governors is Peri Welch.

MCANERNEY HALL

First row: Laura Bender, Robin Adkins, Donna Eberhardt, Barb Thomas, Shari Noonan, Beth Barickman, Chris Degonia, Cookie Ward. Second row: Stephanie Cioffi, Jo Ann Norman, Beverly Drury, Sheila Courtway, Cathy Raidt, Eva Taylor, Cassandra Crumes. Third row: Sandra Witcher, Renee Winegard, Pam Herron, Susan Owens, Phyllis McCallister, Mary Anne Sucher, Connie Foale. Fourth row: Jeanne Hilker, Maggie Griggs, Jill Rakestraw, Theresa Knutelski, Georgia Broz. Fifth row: Dana Villers, Stacy Sakoulas, Margret Donze, Sharon Clinch, Jackie Griggs, Angie Gooding, Jean Weiland, Edith Foale, Nancy Fugate.

House Two can boast of many distinctions during the 1980-81 school year. The house was the first of the female houses to obtain T-shirts, which bear the slogan "THE LUCK OF THE IRISH". House Two carried away first prize in the 1980 Christmas decorations contest with the Peanuts Christmas theme, "WE WISH YOU A MERRY CHRISTMAS", which was manifested through such original decoration techniques as carolers outside and beautiful House Two women under the mistletoe on each floor. The house sponsored a square dance in January which proved to be a great success, and in February they again showed holiday spirit by decorating the front windows for Valentine's Day. House Two average resident's age is 20.3 years, oldest of the UMR women's dorms. The House Two "family" includes several outstanding varsity basketball players, and it also can boast of two members who have lived in the house for four years. All in all 1980-81 has been a very memorable year for House Two.

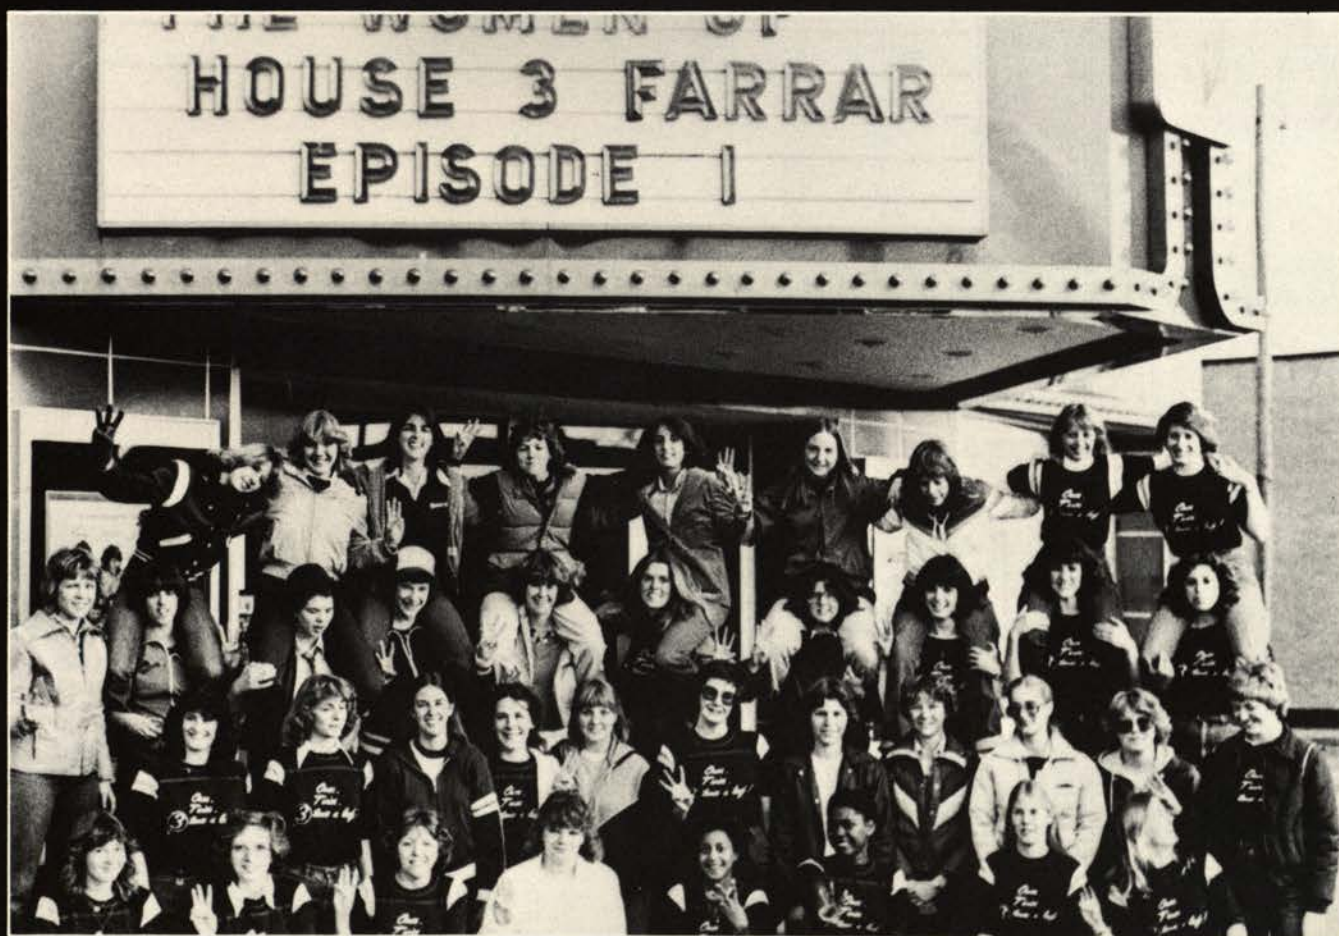

MCANERNEY HALL

Front row: Amy Carpenter, Mary Rose Lucas, Ellen Folluo, Joan Krupski, Celia Conrad, Pam Clary. Second row: Laura Mintert, Theresa Alonso, Joanie Rieser, Lisa Reed, Leta Judd, Sheila McDonnell, Patty Slattery. Third row: Andy Kidd, Cynthia Pavelka, Robin Priest, Tina Harms, Laurie Behm. Farrar Hall is dedicated to the memory of Hilliard Farrar (1930). Mr. Hilliard Farrar was killed in New Guinea Dec. 2, 1943, while serving his country. Farrar Hall (House Number Three) was originally a men's dorm, but this year (1980-1981), the Farrar Hall dormitory was converted into a women's dormitory, housing fifty-five female students. The house motto is "Once, Twice, Three Times a Lady". House Three honors include: Second place Christmas decoration, First Place Mr. Quad contest (house three's representative Bob Swain), Queen candidate (Miss Suzy Appelbaum).

FARRAR HALL

First row: Beth Boyd, Lydia Relja, Mary Lou Wirz, Alice L. Carter, Jada D. Jenkin, Cheryl White (House Governor), Kayla Arnott, Karol Krumrey. Second row: Beth Ulmer, Terri Sherrill, Amy Hackler, Kathryn Raymer, Angela Lockhard, Denise Rost, Patty Frey, Heidi Fluegel, Cathy Oostendorp, Diane Gamm, Joan Bertman. Third row: Barb Cummings, Cindy Brush, Elizabeth Clarke, Cathy Ludwig, Martha Kaiser, Lynn Murray, Sandy Johnson, Liz Gearon, Paula Kovarik, Suzy Marcel. R. 4: Kummie Akers, Julie Compton, Jeanne M. Baldetti, Cindy Cook, Karen Penney, Cari Vitale, Cindy Lees, Diana Carls, Rima Mitchell.

Farrar Hall — House Four has many original distinctions. This year marked the first time that Farrar Hall was occupied by women. Surprisingly, all but four of the original fifty-six coeds were freshmen; three of the remaining four were transfer students. The one exception was the returning RA, who has been responsible for a lot of the fun in this house. For example, she recommended "The 11:30 Dirties" highly to all her residents as a unique viewing experience. In spite of her guidance, they had to learn most of the "ins" and "outs" of college life through trial and error no one told them cats weren't allowed in the dorm they only wanted a mascot! Apparently, some well intentioned men wanted to replace their lost pet by supplying each of the girls with her very own bat on Halloween you should have hear them screaming with glee (?). — When the time came for the annual snowball fight, one of the girls got confused and threw out her "bra", thinking it was a panty raid! They have all made innocent mistakes like that, even the fourth floor residents who claim to be the "next best thing to heaven" Surely they mean they are all angels don't they?

FARRAR

First row: Loretta Raspberry, Lori Bartlett, Nena Abdul-Wakeel, Valerie Mashburn, Ellen Hendricks, Laura Depasquale. Second row: Maira Horton, Beth Metzler, Benyta Jackson, Deborah Day, Becky Messenbrink, Debra Manley, Darlene Meloy, Nancy Jones, Maureen Pomeroy, Kay Runge. Third and fourth rows: Lisa McCrate, Jamie Fornell, Mary Miller, Janel Rundlett, Kathy Buhr, Charlene Butler, Debbie Robedeau, Judy Ghilottie, Debbie Esme, Marla Greer, Lori Burgett, Anne Dwyer, Bonnie Scott, Ellen Freeman, Christine Lang. Last — double row: Sue Robbins, Dena Porterfield, Robynn Hummel, Patty Peick, Lisa Sum, Christie Lakeman, Cynthia Demick, Doris Mann, Joan Lischwe, Kim Dowd, Sonia Ahad, Kathy Dixon, Paula Key, Theresa Gutmann, Diana Wilson, Julie Sexton, Karen Schneider, Lisa Jungmeyer, Joan Biri, Robin Gust.

The men of House Five claim to present the finest House in the quad. Finest, in that they combine academics, athletics, and sociability in a balanced combination, the results of which are the quad's highest House GPA, plenty of good times, time-honored traditions and good friends. The halls often get a little noisy; but only in a friendly atmosphere between house members could this happen, and everyone gets their work done anyway (usually).

ALTMAN HALL

First row: Dro Darbidian, Big H., Doug Conrath, Steve Kolodziej, Alias Larru, Bjob, Dave Knobbe, Stubbs, Kinker-Bell, Jim Brake, Hung Lo, Bruce Byrd. Second row: Frank Reichart, Nilesh B. TJ Ends Winter Blahs

During the "blah" months of winter, a few innovative members of TJ hauled sand into their dorm-room to provide them with a little summer fun. They built sand castles, decorated their room to simulate a summer-time atmosphere and had a "real" beach party. Of course they also cranked the heat up to 85° F to resemble those hot days of summer.

The closest University housing to campus, Carnahan Hall housed 23 students just across the street from the Physics building for the 80-81 school year. With only a few exceptions, the fellows at Carnahan were all freshmen at UMR and consequently had to learn the ropes from scratch. They adapted quickly to the strenuous Rolla lifestyle, and many became involved in school activities. Carnahan residents were active in MHA East intramurals, TJ activities, campus club intramurals, UMR swim team, baseball and several other extra-curricular events. Several community projects were included in their busy schedule. — Next year Carnahan Hall will be converted to an all girls dormitory, one which the guys would all like to come back to and visit often.

Little Piney Motel became a male residence this year as last year's Farrar Hall pulled up stakes and moved North. Boasting well over 20 beds, the occupancy occasionally reaches 80, which is part of the university's plan to utilize the double beds as enterprisingly as possible.

KCLU listeners may have known it as "the up and coming place", but to 107 UMR students this year, it was known as home — the Manor Inn. Well, maybe not exactly home as that word usually implies a warm bed and good food. The heat had a habit of not working on the coldest days and nights, the "500 Building" inhabitants also woke up to ice water for showers several times, and for meals residents were forced to subject their taste-buds to the evils of TJ, the U. Center, or some combination of cooking in their rooms and eating out. And as long as no one overslept, the Miner Connection buses provided reliable transportation to and from campus and meals. — Throughout the year, when residents were not busy with the usual UMR nightmarish task of homework, they found release in various forms. Besides sliding on "Wet Willy" in the fall. Frisbee and softball in the parking lot, an occasional party was slipped by (?) the RA's notice. Second semester, the first (and last?) Manor Inn party was held at "Tech Engine" in February, and a canoe trip on the Current River in March was also sponsored. — As a part of MHA East, Manor residents attended a barbeque at Meramec Springs in May, and participated in various intramural sports. They contributed to the first place doubles tennis team and placed first in heavyweight wrestling. Also, an all Manor team took second place in bowling.

The Rancho Motel, home of Rolla's newest speedway, is the place to be when it comes to motor racing. A wide variety of competition takes place on this, the fastest track in the MHA West. Racing classics range from kamakazee motor bike to an occasional lawn chair buggy. This most modern facility even offers curb service pit stops. Next time you are in the neighborhood stop by and visit the Rancho speedway, soon to become part of the pro racing circuit.

1980-'81 was a year of studying, tests, labs and . . . partying for the men of the "Rustic Motel". Many of the "Rustic Rats" graced the front lawn of the motel during numerous sunning parties. The motel always showed a flurry of activity since the "Rats" enjoyed such vigorous entertainment as sleeping, maid chasing and girl watching. The highlight of the year arrived when the "Rats" threw the "First Animal Rustic Kegger", and three girls showed up and stayed for ten minutes (big deal!) — The "Rats" would like to express their appreciation to their HMFIC Bob Pressly for a job well done.

The Nu Deuteron Chapter of Alpha Epsilon Pi was founded at the University of Missouri-Rolla on May 15, 1947. The chapter has always strived for high scholastic achievement while maintaining an active interest in campus, social and other extra-curricular activities. The intramural teams improved overall this past year, led by winning seasons in football and softball. St. Pat's highlighted the social activities, with congratulations to Al Ketterer for being elected to the St. Pat's Court as a Guard. During the Spring semester, the house was involved in a community project with the City of Rolla through the Parks and Recreation Department. Overall, this last year has been a full one for Nu Deuteron, and they are optimistic about the upcoming year to be even more successful.

The fraternity was founded by seven men on December 4, 1906. These seven founders, often called the Seven Jewels, initiated a trend of leadership, character, and moral fiber that still exists among Black college men today.

Here at U.M.R., Alpha Phi Alpha opens doors to the other organizations on the campus such as the Student Council, Interfraternal Council, Alpha Phi Omega Service Fraternity, Gamma Alpha Delta Service Fraternity and others.

They have been established on the U.M.R. campus since 1965 and during that time their voice has been heard concerning a variety of issues.

Operating a fraternity house involves business and they often render their services to the community.

Beta Sigma Psi is the National Lutheran Fraternity. Their chapter, Eta, is one of the strongest throughout our National Fraternity. They were awarded many honors during the most recent Beta Sigma Psi convention. Their present house was built in 1967 and holds 76 men. It is a four-story wooden and brick structure that is located on Fraternity Drive. Beta Sig wholeheartedly participates in the many activities at U.M.R. Our scholastic efforts often prove to be successful as shown by this most recent semester when their active grade point ranked second among all fraternities. They strive hard to do well in intramural athletics and are currently in third place in the overall intramural standings. Beta Sigma Psi is proud to be an important part of U.M.R. and the Rolla community.

Since its founding on the U.M.R. campus, the Eta Kappa chapter of Chi Omega has grown from 25 to over 50 pledges and activities.

The 1980-81 school year was a good one for Chi Omega. They placed first in overall scholarship for sororities during the fall semester and also won first place in the novelty division of the Greek Sing on Christmas Party Weekend. They came in third in women's intramurals, but took home winning trophies in both swimming and softball.

In the fall, they had the annual Chi Omega hayride and they also enjoyed themselves at their fall formal.

The spring semester was highlighted with the Valentine's formal on Valentine's Party Weekend, St. Pat's, and Greek Week festivities.

The U.M.R. chapter of Kappa Alpha Order, Beta Alpha chapter was founded in 1903 at the Missouri School of Mines and Metallurgy which has since become part of the University of Missouri system. Since its inception, Beta Alpha chapter has produced men who have made outstanding contributions to civic and professional circles throughout the nation.

Like U.M.R., KA maintains a proud tradition of quality. Their chapter here at Rolla consistently ranks among the leadership, intramurals, and KA's hold leadership positions and participate extensively in campus activities. KA's also hold offices and participate in many of the various campus honorary organizations which require high scholastic averages for admission. But Beta Alpha can be proud, even more, of its most important asset, a solid, yet diversified brotherhood.

The school year 1980-81 proved to be very successful and rewarding for Kappa Sigma. Again they placed well in Intramural Sports as indicated by their capture of the track championship and placing 2nd in wrestling and football. Continuing tradition, social functions at Kappa Sigma were numerous and full of imagination as demonstrated by their 20 ton sand beach party. The acquisition of a superb freshman class will almost make up for the loss of the fine brothers who graduated this past year. This past year was basically a good one.

Pi Kappa Alpha, the 4th fraternity on campus, was founded on November 28, 1905 and has kept the same fraternity house on 9th & Bishop for over 50 years. One of the finest chapters in the nation, Alpha Kappa has won the overall proficiency award more than any other chapter of IKA in the U.S. This year, Pi Kappa Alpha took second place in overall St. Pat's participation and had more members join the ranks of Who's Who than any other fraternity on campus. Included in IKA's membership last year were the Electrical Engineering Man of the Year, the Chemical Engineering Man of the Year, 2 of 6 IFC Man of the Year finalists, the president of the UMR student body, the A.P. Green Medal of Honor recipient (most outstanding UMR graduate) and six varsity athletes. Last year Pi Kappa successfully completed the largest GAD service project in the history of GAD at UMR, and co-sponsored the 2nd Annual Rolla College-Community Fun Run once again.

The general goal of the Chapter is to achieve overall excellence and to develop pride in the system of brotherhood, both at the local level and nationally. Once again they compete for the Fraternity's highest honor, the Founder's Cup, which has made its home in Rolla for many years now. The Brothers feel they have the inside track to once again obtain the award because they have seen fit to bring "Rolla" to many campuses, notably Columbia, Western Illinois, and Purdue. Spilled beverages, ingested liquor, and severe disorientation have long been a Rolla trademark that the chapter has worked very hard to introduce everywhere.

Locally, the Phi Kaps were permitted to donate playoff kegs in many major sports, including football, soccer, basketball, and handball (next year's goal: the Ultimate Frisbee finals). And, as every year, their frolicking freshmen were swinging gruesome shillelaghs at model snakes, causing headaches for the B. & G. boys and crushed rubber for Board Reps.

Gamma Lambda Chapter of Pi Kappa Phi Fraternity here at U.M.R. has really had an excellent year. Beginning last fall, many of the members have gotten very involved with campus activities, including Student Union Board, KMNR-FM, the Missouri Miner, Wesley Foundation, Climbing Club, Raiders, and numerous honoraries. Despite all this extra-curricular activity, the initiated members were able to produce the highest G.P.A. of all fraternities on campus last fall. They also initiated a large number of associate members. They were very happy to bring in these brothers and offer them the chance to share in the "Pi Kapp Experience". They then proceeded to recruit several new associates for the spring semester and offer them their unique "no-pledging, no-hazing" atmosphere where everyone has a say and everyone shares the load. Motherhood also came to Pi Kappa Phi as their derelict cat Gonzo had kittens this spring. Brother Dan is still trying to find the father. Maintaining solvency, they are pressing ahead with plans for renovation of the house including, among others, plans for a new roof. They give special thanks to their present and future alumni for their support in this effort. The Greek Week Carnival booth was a "smash", car smash that is, and was very successful. Many brothers have graduated this past May and they will be missed. All in all it has been a very good year for Pi Kappa Phi and they look forward to '81-'82 with great anticipation.

In December of 1980 Dave Starzyk and Tom Dancu decided to organize and start a new fraternity at the University of Missouri-Rolla. Dave and Tom were two of the seven founders of this fraternity known as Sigma Chi Mu. Sigma Chi Mu plans to be affiliated with the National Fraternity of Sigma Chi. Sigma Chi, the second oldest fraternity ranks number two nationally in regards to number of initiates (160,000) and number six in total active chapters. At the end of the Spring 1981 semester Sigma Chi Mu had 24 members, was an affiliate member of the U.M.R. Interfraternity council, and located a chapter house at 1208 Oak Street. The future of Sigma Chi Mu looks very optimistic.

This past year has been a very active one for TKE. Many different achievements have come their way. The areas of campus leadership, community service, campus-wide competition and intramural sports have been strong points. The Teke's in campus involvement include presidents and vice-presidents in many key campus organizations.

Campus and community service receive constant attention at TKE. Their projects include a chariot pull for Muscular Dystrophy, benefits for St. Jude's Hospital, Theta Tau Ugly Man Charity, and a wide range of service projects.

In campus-wide competition TKE has been a consistent leader. They received many high awards in competitions ranging from the Greek Sing to the St. Pat's games.

Intramural sports are more than just an outlet from school work. Emphasis has been placed on full participation and winning attitudes which explains the great competitiveness of the Teke's.

While striving to uphold a good outward image, efforts have been made for internal development at TKE. House maintenance and improvements, greater financial security, better chapter management and a closer brotherhood have been stressed as their fraternity membership climbs above 100.

Originally the Grubstakers Club at M.S.M., Triangle is one of the oldest organizations on the U.M.R. Campus. Located in the Old Rock House on the corner of Ninth Street and State Street, Triangle has an outstanding record of leadership and participation in campus activities ranging from academics to intramurals. Triangle fraternity is a professional and social fraternity of engineers, architects, and scientists. This tight-knit professional relationship enables the men of Triangle to exemplify brotherhood to its fullest sense.

Alphabetically: Bill Anderson, Jeff Buster, Tim Compas, Jim Crabtree, Dale Dietzel, Bill Field, Beth Frick, Mike Grassmuck, Steve Heitert, Jeff Heppermann, Eric Hofelich, Gary Krejci, Paul Lang, Rob Lekey, Jeff Matchett, Don Mayberry, Ed Mayberry, Tom Moonsy, Brad Notch, Tom Parks, Terry Pautler, Jim Reardon, Dave Robinson, Al Schlosser, Gary Schnettgoecke, Eric "Jew" Schultz, Mike Shockly, Joan Snider, Steve Zeboski. ZTA

Mary Ford, Tammy Williams, Rose Emhoff, Carol Arnott.

The 1980-81 school year proved to be an involved one for Zeta Tau Alpha. Service projects, campus activities, intramurals, studying and other activities took up much time for the members of the Eta Theta chapter.

Zetas hold offices in many organizations including Student Council, the Student Union Board, campus publications and numerous others. In other areas, such as Greek activities, Zeta took an active role, placing first in the musical division during the Greek Sing, and also won overall Greek Week in the sorority division.

In the area of service, Zetas devoted many hours to their national philanthropy, the Association for Retarded Citizens. In recognition of a fund raising event for A.R.C., the Rolla Area Chamber of Commerce presented Zeta Tau Alpha with an award.

First Row: Cindy Cook, Kayla Arnott, Desiree King, Carol Arnott, Linda Branum. This year we restructured the entire design for the living units section. Hopefully everyone will be pleased with the results. To be certain that all living units were equally represented, several notices were sent to each housing unit informing them that pictures would be taken for any event which they wanted covered in the 1981 Rollamo. We simply requested that appointments be made through the editor. Photographers were then sent out to cover the event. The group pictures of each living unit were taken under the same system. Fair representation was given to everyone who responded by the deadline. Special thanks are extended to the following living units for they were most cooperative helping us to put this new, innovative system into operation: Kappa Delta, Mc Anerney — House Two, Second Floor TJ., Theta Xi, Fourth Floor TJ, Manor Inn, Kappa Alpha Psi and Sigma Xi Mu (good luck with your new frat!)

We apologize to Sigma Xi Mu for not being able to publish their officer picture, but we could not develop the roll of color film they sent (our dark room is only set up for black and white).

Thanks to all,
Caroline and Jim, editors.

... ACHIEVEMENT

Who's Who

The following students were selected to appear in the 1981 edition of Who's Who in American Universities and Colleges. These Students were selected by a campus nominating committee and editors of the annual directory on the basis of service to the community, academic achievement, leadership in extracurricular activities, and future potential.

Greg Grindinger

"I dread success. To have succeeded is to have finished one's business on earth, like the male spider who is killed by the female the moment he has succeeded in his courtship. I like a state of continual becoming, with a goal in front and not behind."

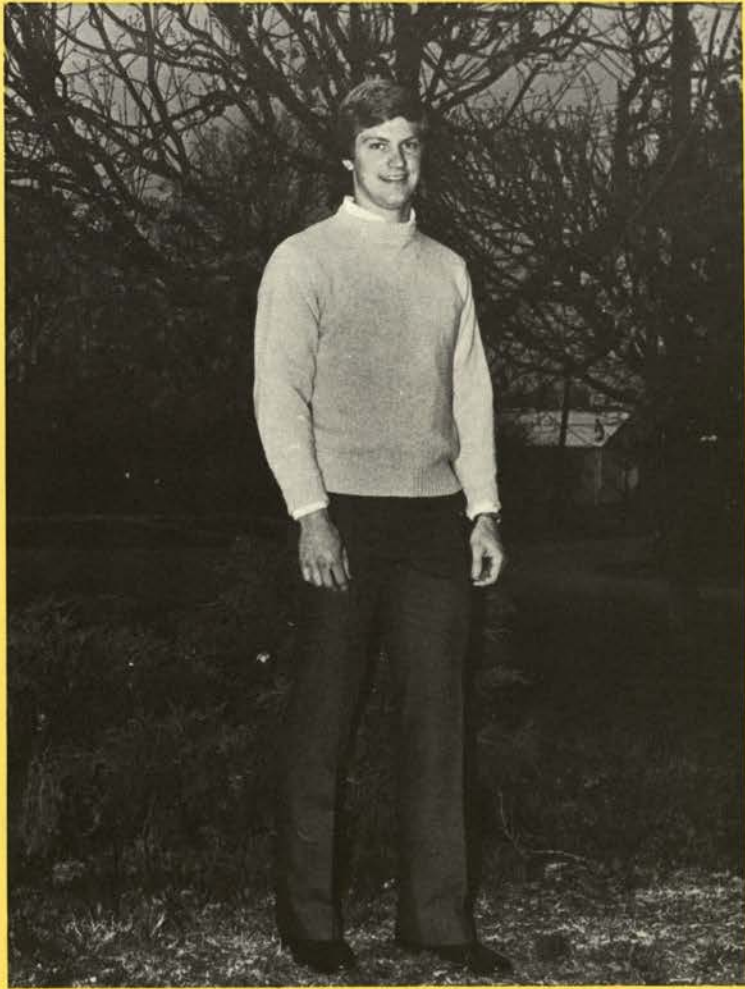

— Bernard Shaw

Marilyn Kolbet

"The talent of success is nothing more than doing what you can do well; and doing well whatever you do, without a thought of fame."

— Henry Wadsworth Longfellow

Hal Tharp

"Coming to college has opened my eyes to many things I do not know, but I feel better off because of it."

Bonnie Boland

"Those only are happy who have fair minds fixed on some object other than their own happiness; on the happiness of others, some improvement of mankind, even on some art or pursuit, followed not as means, but as itself an ideal end. Aiming thus at something else, they find happiness by the way."

— John Stuart Mills

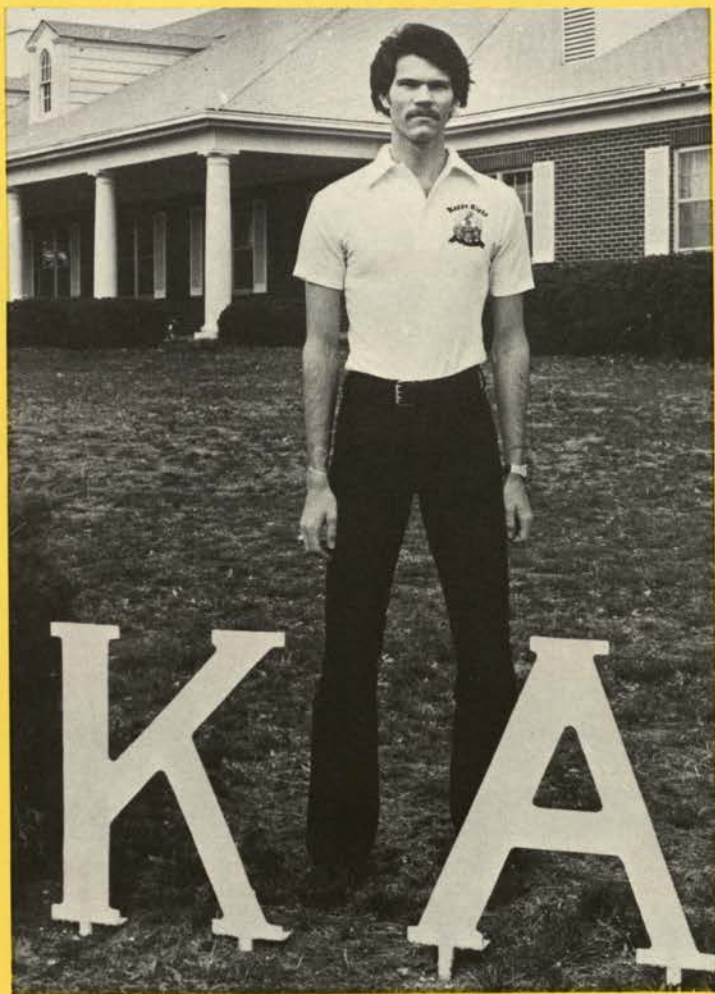

Mark Nealon

"Love is not so simple and malleable as many suppose. Put it in prison and it dies. Restrict it and it turns into hate. Force it and it disappears. You cannot will love, nor even control it. You can only guide its expression. It comes and goes according to those qualities in life that invite it or deny its presence."

Rosemary Embhoff
"You see things as they are and ask 'Why?' But I dream
things that never were and ask 'Why not?'"
— George Bernard Shaw

Patrick Thompson

*"Well done is better than well said."
— Benjamin Franklin*

Benjamin Winter

*"Once toothpaste is out of the tube, it's hard to put
it back in."*

Michael W. Bennett

"My feelings about UMR have changed drastically over the past few years:

Freshman: detested it

Sophomore: indifferent

Junior: liked it

Senior: loved it

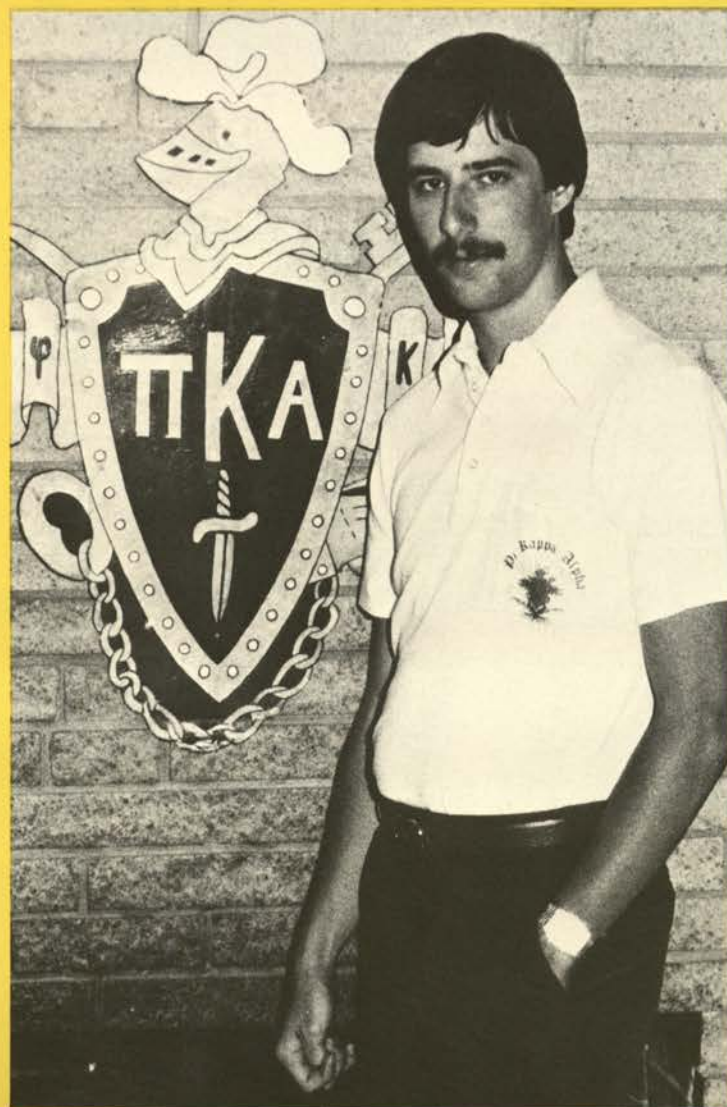

Present: wish I was back

Enjoy all the good things UMR has to offer; a great education, fantastic friends, fun times, drunken stupors, football championships, ect. For when it is all over, you have to work the rest of your life!"

Paul Baldetti

"Be true."

To my brothers in phi phi kappa alpha, PGB.

The Rollamo staff would also like to congratulate the following students for their outstanding achievements, whose pictures were unavailable.

David Frankenbach:

Before you let yourself go completely be sure you can get yourself back.

The best things in life may be free, but things money can buy aren't bad either.

We are about as happy as we make up our minds to be.

You may be able to take time off, but you can never put it back.

A person is not old until regrets take the place of dreams.

Fellow students and faculty,

I would like to dedicate the ROLLAMO 1981 to Lance Williams, advisor to the yearbook staff. Without his assistance and enthusiasm the job as Editor-in-Chief would have been impossible. Lance Williams has been the Rollamo's advisor for more than ten years and the yearbook staff hopes he will continue with us for a long time to come.

Special thanks goes to Tom Beard, for without his help in getting me involved in the yearbook. Credit goes to Patty Slattery and Mike Nix for their efforts in the Activities and Sports sections. I would like to express special appreciation to Rose Emhoff, Lori Troester, and Karen Gehlert who all turned their sections in early. Making my job much easier. Also to Caroline Sturm goes special thanks for her layout of the Living Units section.

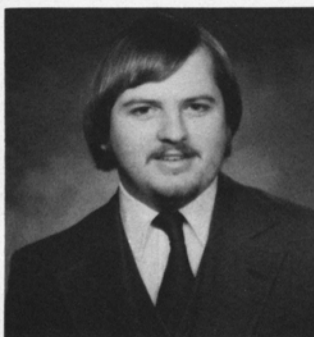

The following people have spent the last year working as assistant editors on the yearbook staff, Jim Engemann, Diane Schaefer, John Tripi, Kay Runge, and Kathy Buhr. I hope they will continue to work for the Rollamo Yearbook and not let their talents and experience go to waste.

Congratulations go to Tony Park for being this years top photographer. Thank you for your dedication and putting up with my last minute requests. I would like to thank the rest of the photography staff, especially Dan Booher (photography editor), without your hard work and organization, the Rollamo would have been nothing but words.

To my fraters at Tau Kappa Epsilon I owe many thanks for making my college career at UMR very enjoyable.

Above all else, I would like to thank my parents and family for all their help and support through the past four years.

I hope you will find part of yourself within these pages of the Rollamo 1981 and that it will bring back good memories.

James W. Lynch, Jr.
Editor-in-Chief,
